Tonight we're gonna hang out  
Me and my girls gonna hit a party  
Gonna wile out  
Manicure, pedicure, so we look tight  
And there's just enough money for the night out  
So now it's time we go hop up in the 6-4  
Drop top down headed for the disco  
Maybe we might catch some guys eyes  
If we don't, we don't care, cuz we still  
Gonna have a good time

It's friday night, got visions in my head  
But Nothin' on mind, so let the music play  
So let me hear you say

Aaa Ohh Aaa Ohh  
We gonna have some fun  
Aaa Ohh Aaa Ohh  
Party all night  
Aaa Ohh Aaa Ohh  
That's all we think about  
Aaa Ohh Aaa Ohh  
No matta what's going down  
AO AO  
No matta what's going down  
AO AO  
We gonna do this anyhow  
AO AO  
No matta what's going down  
AO AO  
We gonna do this anyhow

We pull up in the valet  
We turning heads like a Hummer on the freeway  
We grace threw crowd eyeson us  
People st-st-stutterin' sayin' hey who are they  
Wall to wall, back to back packed so tight  
But VIP is where is where we kick it for the whole night  
I be watching these guys peeping us out  
But they faking, and they scared We don't care  
w gonna have a good time

It's friday night, got visions in my head  
But Nothin' on mind, so let the music play  
So let me hear you say

Aaa Ohh Aaa Ohh  
We gonna have some fun  
Aaa Ohh Aaa Ohh  
Party all night  
Aaa Ohh Aaa Ohh  
That's all we think about  
Aaa Ohh Aaa Ohh  
No matta what's going down  
AO AO  
No matta what's going down  
AO AO  
We gonna do this anyhow  
AO AO  
No matta what's going down  
AO AO  
We gonna do this anyhow

(Rap..)

It's friday night, got visions in my head
