Didn't I make you feel, like you were the only man?
And didn't I give you everything that a woman possibly
can?
Each time I tell myself I think I've had enough
Well, I'm gonna show you, baby
That a woman can be tough
So come on, come on, come on

And take it, take another little piece of my heart now,
baby
Take another little piece of my heart
I know you will break it
Break another little piece of my heart now, baby
'Cause you know you got it, if it makes you feel good,
so good

You're out on the street lookin' good
Baby, deep down in your heart you know that it ain't
right
No, you'll never hear me cryin', you know I cry all the
time
Each time I tell myself that I can't stand the pain
You hold me in your arms and I start singin' once again
So come on, come on, come on

And take it, take another little piece of my heart now,
baby
Take another little piece of my heart
I know you will break it
Break another little piece of my heart now, baby
'Cause you know you got it, if it makes you feel good,
so good

Each time I tell myself that I can't stand the pain
You hold me in your arms
And I start singin' once again
So come on, come on, come on

And take it, take another little piece of my heart now,
baby
Won't you just take it? Take another little piece of my
heart

And I know you will, and you will break it
Break another little piece of my heart now, baby
'Cause you know you got it, if it makes you feel good,
so good

Take another little piece of my heart now, baby
Won't you just take it? Take another little piece of my
heart
I know you will, and you will break it
Break another little piece of my heart now, baby
Take another little piece of my heart
My heart, my heart, my heart, my heart

Take another little piece of my heart now, baby
Won't you just break it ? Break another little piece of my
heart
My heart, my heart, you cannot break
Break another little piece of my heart, my baby
