They said, "Change your clothes"
She said, "No, I won't"
They said, "Comb your hair"
She said, "Some kids don't"
And her parent's dreams went up in smoke

They said, "You can't leave"
She said, "Yes, I will"
They said, "Don't see him"
She said, "His name is Bill"
She's on a roll and it's all uphill

She's a wild one with an angel's face
She's a woman-child in a state of grace
When she was 3 years old on her daddy's knee
He said you can be anything you want to be
She's a wild one, runnin' free

She loves rock 'n' roll
They said it's Satan's tongue
She thinks they're too old
They think she's too young
And the battle lines are clearly drawn

She's a wild one with an angel's face
She's a woman-child in a state of grace
When she was 3 years old on her daddy's knee
He said you can be anything you want to be
She's a wild one, runnin' free

She has future plans
And dreams at night
When they tell her life is hard
She says, "That's alright"

She's a wild one with an angel's face
She's a woman-child in a state of grace
When she was 3 years old on her daddy's knee
He said you can be anything you want to be
She's a wild one

With an angel's face

She's a woman-child in a state of grace
When she was 3 years old on her daddy's knee
He said you can be anything you want to be
She's a wild one, runnin' free
