Didn't I make you feel like you were the only man
Didn't I give you everything that a woman possibly can
Each time I tell myself, I think I've had enough
I'm gonna show you baby that a woman can be tough
Come on, come on, come on, come on

Take it, take another little piece of my heart now, baby
Take another little piece of my heart, I know you will
Break it, break another little piece of my heart now,
baby
You know you got it if it makes you feel good

You're out on the street lookin' good
Baby, deep down in your heart you know that it ain't
right
You never hear me cryin', you know I cry all the time
Each time I tell myself that I can't stand the pain
You hold me in your arms and I start singin' once again
Come on, come on, come on

Take it, take another little piece of my heart now, baby
Take another little piece of my heart, I know you will
Break it, break another little piece of my heart now,
baby
You know you got it if it makes you feel good
Come on, come on, come on

Oh, you take a piece of me when you take my heart
Oh baby
You know you got it if it makes you feel good

Take it, take another little piece of my heart now, baby
Take another little piece of my heart, I know you will
Break it, break another little piece of my heart now,
baby
You know you got it if it makes you feel good
Take a piece of my heart
