Baby, don't turn out the light
I wanna see you look at me
Whisper only truth tonight
Not just promises and empty fantasies

I don't need a bed of roses
'Cause roses wither away
All I really need is honesty
From someone with a strong heart
A gentle hand
Who'll take me as I am

Baby, I need for you to know
Just exactly how I feel
Fiery passions come and go
I'd trade a million pretty words
For one touch that is real

I don't need a bed of roses
'Cause roses wither away
All I really need is honesty
From someone with a strong heart
A gentle hand
Who'll take me as I am

I don't need a bed of roses
'Cause roses wither away
All I really need is honesty
From someone with a strong heart
A gentle hand
Who'll take me as I am, oh yeah

From someone with a strong heart
A gentle hand
Who'll take me as I am
