If I could grant
You one wish
I'd wish you could see the way you kiss
Ooh, I love watching you
Baby
When you're driving me crazy

Ooh, I love the way you
Love the way you love me
There's nowhere else I'd rather be
Ooh, to feel the way I feel with your arms around me
I only wish that you could see the way you love me
The way you love me

It's not right
It's not fair
What you're missing over there
Someday I'll find a way to show you
Just how lucky I am to know you

Ooh, I love the way you
Love the way you love me
There's nowhere else I'd rather be
Ooh, to feel the way I feel with your arms around me
I only wish that you could see the way you love me
The way you love me

You're the million reasons why
There's love reflecting in my eyes

Ooh, I love the way you
Love the way you love me
There's nowhere else I'd rather be
Ooh, to feel the way I feel with your arms around me
I only wish that you could see the way you love me
The way you love me
The way you love me

Ooh, the way you love me
The way you love me
