Has it been so long?  
Do you think we know?  
Do you think we care?

Die, for the here and now  
Do you remember why?  
Do you remember how?

Just face out  
The set back  
Stick your chest out  
Stomach in  
Thats right

Do you really know  
Where the harems go?  
In the desert snow, hail  
An oasis dream doesn't really seem  
To mean a thing when you're out cold

So, hands up  
Put your guards up  
Feet down  
Up, down

Forward march  
Left, go right  
Cold, cold, cold  
I feel cold
