Faith No More - Cuckoo Fro Caca
=====

Its cold and its
Smooth and its
A hard shade of white
And everybody needs to lick the surface clean
But it never tastes better
White blooms to white and
Freezes white again
Close it before something crawls in

Commit it, leave it, get away-
We always
Drop our good side

Being good gets you stuff
Being stuff gets you good
Good stuff gets you being
And wheelin?and dealin?and squealin?
Shit lives forever

They have no legs, but chase us anyway
Wipe the shadow of your best friend
Gave birth to something we dont want to be
We drop our good side
You cant kill it

Eat is just as deep as you can fuck it
So cough it up or go down
And theres only one thing that separates
A man...

Shit lives forever

Well retire with a turd on our lips
Under a pair of knowing eyes
Im gonna take a few down with me
And drop my good side

You cant kill it

Take it from our drummer, Puff? Being good it gets you
stuff
