It would be wrong to ask you why
Because I know what goes inside
Is only half of what comes out
Isn't that what it's about?
It's about to remind us we're alive
To remind us we're not blind
In that big, black hole
Comfortable oohooohohhohhh

Digging the grave, I got it made
Let something in, throw something out
You left the door open wide

I know you have a reason why
That knot is better left undied
I just went and undid mine
It takes some time
And the shadows so big it takes the sun out of the day
And the feeling goes away
When you close the door

Comfortable oooohohhooohhoooh

Digging the grave, I got it made
Let something in, throw something out
You left the door open wide

Digging the grave, I got it made

SOLO

Go out Go out Go out 1x Pause

Comfortable oohohohohohhhhooh

Digging the grave, I got it made
Let something in, throw something out
You left the door open wide

oohooooooooohoo
oohooohhoooho

And it's
Out of this world Comfortable
Out of this world Comfortable
Out of this world Comfortable
Out of this world Comfortable
