"Evidence"

If you want to open your hole
Just put your head down and go
Step beside the piece of the circumstance
Got to wash away the taste of evidence
Wash it away
[evidence x3]
[got a taste of evidence]

I didn't feel a thing
It didn't mean a thing
Look in the eye and testify
I didn't feel a thing

Anything you say, we know you're guilty
Hands above your head,
and you won't even feel me
You won't feel me

[i didn't feel a thing]

I didn't feel a thing
It didn't mean a thing
Look in the eye and testify
I didn't feel a thing

guitar solo

[evidence X3]
[got a taste of evidence]

I didn't feel a thing
You didn't mean a thing
Look in the eye and testify
I didn't feel a thing x2
