Got that feeling Luck is a little of it I got that feeling I can't stop winning

**MotoLyrics** 

A to z Look what you're missing As we speak Your numbers rising Take a peak There's just enough to go around Get a piece Your own little piece of hell

Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold

Got that feeling Loving every minute of it Got that feeling I can't stop winning Stop winning

Have a drink A pot of coffee Cannot think To many friends here Just an inch between striking out and striking rich If that's the risk, why not take it, take it, take it

Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold Get it, get it, get it, get it, get it, get your gold

Got that feeling Loving every minute of it Got that feeling I can't stop winning And start living Start winning Start living

You can't borrow, tomorrow
