They will sum it all up in a sentence  
a verdict made by those who know  
IÂ´m ready to make a commitment  
IÂ´m willing to make love to concrete

Smiles  
bruises  
smiles  
bruises  
bars in the womb  
I hide the dirty minutes under my dirty mattres and  
they are making me itch  
my time is spilt milk

My skin is a layer of soot  
IÂ´m spendig my days scrubbing  
IÂ´m trying so hard to act like nothing happened(No  
one left to blame)  
IÂ´m trying so hard to find that fresh clean smell(No  
one left to blame)

Smiles  
bruises  
smiles  
bruises  
bars in the womb  
I hide the dirty minutyes under my dirty mattres and  
they are making me itch  
my time is spilt milk

Cruel words sleep above me  
Mounting and teasing

I am what IÂ´ve done  
I am what IÂ´ve done  
IÂ´m sorry  
IÂ´m sorry  
SORRY
