My box is full
And my mouth is full
And my life is full
And now my memory's full
In how many ways and words
Can you say nothing
Millions of ways and words
To say nothing
What'd I say? I'm empty.
I bought the thing
I fought the thing
And I fought the thing

They said it's normal
But they're keeping me dumb and hot
You're missing something
Keeping me dumb and hot
You must be missing something
Keeping me dumb and hot
What'd I say? I'm empty.
And I'm sending it back to you
