Im here, alone,  
On the the telephone line  
Im right where you want me to be  
And I'll wait alone and never ask why  
Ill be where you want me to be

And I know  
And I know  
And I know  
And I know

Ive been here before, and I know your kind  
Youre right where I want you to be  
Now I'll say what I think,  
Ill never be what you want me to be

Just to be who I am  
What you want me to be  
Youll be on your knees

Tell me, tell me - tell me it's not true  
Tell me, tell me - tell me it's not true  
Tell me, tell me - tell me it's not true  
Tell me it's not true

And now Im here,  
Alone on the telephone line  
Im right where you want me to be

And I know  
And I know  
And I know  
And I know

Ill wait, alone,  
And never I ask  
Ill be where you want me to be  
Ill say what I think,  
Ill never be what you want me to be

Just to be who I am  
What you want me to be

You'll be on your knees

Tell me, tell me - tell me it's not true  
Tell me, tell me - tell me it's not true  
Tell me, tell me - tell me it's not true  
Tell me it's not true

Why don't you tell me, tell me  
Tell me, tell me  
Tell me, tell me  
Tell me it's not true
