We care a lot about disasters, fires, floods and killer
bees
We care a lot about the NASA shuttle falling in the sea
We care a lot about starvation and the food that Live
Aid bought
We care a lot about disease, baby Rock, Hudson, rock,
yeah!
We care
a lot about the gamblers and the pushers and the
geeks
We care a lot about the crack and smack and whack
that hits the street
We care a lot about the welfare of all the boys and girls
We care a lot about you people cause we're out to save
the world
Y
EAH!
And it's a dirty job but someone's gotta do it
We care a lot about the army navy air force and
marines
We care a lot about the SF, NY and LAPD
We care a lot about you people, about your guns
about the wars you're fighting gee that looks like fu
n
We care a lot about the Garbage Pail Kids, they never
lie
We care a lot about Transformers cause there's more
than meets the eye
We care a lot about the little things, the bigger things
we top
We care a lot about you people yeah you bet we care a l
ot,
YEAH!
Well, its a dirty job but someone's gotta do it
And it's a dirty song but someone's gotta sing it
