Don't take your love from me
Now that I need you so
Stay with me, baby
(Stay with me, baby)
Baby, please don't go

Now that you've taught me
What true love really is
Don't walk away and
Leave me here in tears

To spend the rest
Of my life in loving you
Hey, hey, hey, don't do it, baby
No, no, no, don't do it

Don't take your love from me
Ooh, ooh, baby, don't take
Don't take your precious love from me

Just knowing that you're mine
Makes me feel so good
So happy, baby (so happy, baby)
Have to knock on wood

Take me in your arms and say
You'll love me tomorrow
The way you do today

Cause I'd truly die
If you ever went away
Hey, hey, hey, don't do it, baby
No, no, no, don't do it

Don't take your love from me
Ooh, ooh, baby, don't take
Don't take your precious love from me

Don't take your love from me
Ooh, ooh, baby, don't take
Don't take your precious love from me

Gotta have it, gotta have it
Gotta have it, gotta have it
Gotta have it, gotta have it
Gotta have it, gotta have it, ooh
Don't take your precious love from me

Cause I need it, cause I need it
Cause I need it, cause I need it
Cause I need it, cause I need it
Cause I need it, cause I need it
Don't take your precious love from me

Let me keep it, let me keep it
Let me keep it, let me keep it
Let me keep it, let me keep it
Let me keep it, let me keep it
Don't take your precious love from me

Baby, baby
Don't take your precious love
Don't take your precious love, baby
Don't take your precious love
Don't take your precious love...
