I've got so much love  
In my heart for you  
And it's the way you love me  
That makes me feel the way I do

Ooh, I feel it come (here it comes)  
It's like this must be, baby, ooh, ooh  
Cause when you touch me, baby  
(Touch me, baby)  
I get a thrill so deep and real, yeah

That what heart could feel so much love  
When you squeeze me (ooh, yeah)  
Oh, baby, when you kiss me so much  
So much love, ooh, ooh

Here in your arms  
Is where I wanna stay  
Cause I'd be so lonely and lost  
If you went away

Ooh, cause no one else (no one else)  
Can make me feel like you do (baby, baby)  
Cause you turned me on to (turned me on to)  
A thrill so deep and real, yeah  
What heart could feel so much love

When you squeeze me (ooh, yeah)  
Oh, baby, when you kiss me so much  
So much love, ooh

So much, so much love, ooh, yeah  
Oh, baby, can you hear me  
Come on and let me sock it to you  
Sock it to you, sock it to you  
Sock it to you, sock it to you  
Sock it to you

So much love, baby, baby  
So much, so much love  
Ooh, yeah, oh, baby, baby

Come on and let me wiggle on you  
Wiggle on you, wiggle on you  
Wiggle on you, wiggle on you

So much love, baby, baby  
So much, so much love  
Ooh, yeah, uh huh

Come on and let me give it to you  
Give it to you give it to you  
Give it to you give it to you  
Give it to you

So much love, baby, baby  
So much, so much, so much  
So much, so much, so much  
So much, so much...
