Could have come through anytime  
Cold lonely, your return  
What are you fighting for?  
It's not my security  
It's just an old war  
Not even a cold war  
Don't say it in Russian  
Don't say it in German  
Say it in broken English  
Say it in broken English  
Lose your father, and your husband  
Your mother and your children  
What are you dying for?  
It's not my reality  
It's just an old war  
Not even a cold war  
Don't say it in Russian

Don't say it in German  
Say it in broken English  
Say it in broken English  
What are you fighting for?  
What are you fighting for?  
What are you fighting for?  
What are you fighting for?  
Say it in broken English  
Say it in broken English  
What are you fighting for?  
What are you fighting for?  
What are you fighting for?  
What are you fighting for?  
What are you fighting for?  
What are you fighting for?
