[LSK]

Should you hear somebody cry,
"The end is nigh",
Don't you buy that line.
Tomorrow's always yesterday
Love's yet to have it's day and you've got all the time
Planes crashing, trains crashing people dropping
bombs,
Nothing new, what go come around now
Child it won't be long.

Keep keeping up,
Everything will be alright tomorrow
Keep keeping

Hey you yeah you don't let it get to you, stressing you
It's what they want you to do,
Smile a while even though it hurts
Even though it hurts
Come on let them know they'll be no breaking you
Love's gonna come around again,
And again and again and on,
Nothing new that go come around now
Child it won't be long.

Keep keeping up,
Everything will be alright tomorrow
Keep keeping
