I went out to the insane asylum
And I found my baby out there.
I said, "Please, come back to me, darling,
What in the world are you doing here ?"
Then my old man raised up his head,
Tears were streaming down from his eyes,
And these are the things that my old man said:
"When your love has ceased to be
There's no other place for me.
If you don't hold me in your arms
I'd rather be here from now on.
Some people have it half way there,
Without your love I ain't nowhere."
"I can't eat and I can't sleep,
I can't even live in peace.
Please take me, baby, for your slave,
And save me from that earthly grave.

Some people have it half way there,
Without your love I ain't nowhere."
Then sorrow struck my heart,
Tears began to stream down from my eyes.
The only man that I ever loved in all my life
Out here, in a place and a condition like this.
And I began thinkin' about what my mama told me
when I was a
little girl.
She told me when I couldn't help myself
To get down on my knees and pray.
And I fell down on my knees
And these are the words that I said:
"Save me, save me, save me, babe,
Save me, save me, save me, dear.
Oh, I don't know just how I made it,
But I'm so glad our love is here."
