Summer Nights

Marianne Faithful

Winter's almost gone,

Oh how I've waited so long

For summer nights.

When there's magic in the air

And I don't have a care,

All that matters to me

Is that you are here

On summer nights.

There's a little café

Where we can hear music play.

They keep the lights turned down low

It's a place where lovers go.

There you'll hold me tight and say

Our love will always be this way

On summer nights.

At the end of the day

We can go down to the bay

And together hand in hand

We will walk along the sand

On summer nights.

In our little café

We'll dance the night away

And we know our love will be

Always true eternally.

And when the moon begins to shine

I can see that you are mine

On summer nights.

On summer nights.

On summer nights
