Just a little rain falling all around,  
The grass lifts its head to the heavenly sound.  
Just a little rain, just a little rain,  
What have they done to the rain ?  
Just a little boy, standing in the rain,  
A gentle rain that falls for years.  
And the grass is gone, the boy disappears,  
And rain keeps falling like helpless tears  
And what have they done to the rain ?  
Just a little breeze out of the sky,

The leaves nod their head as the breeze blows by.  
Just a little breeze with some smoke in its eye,  
What have they done to the rain ?  
Just a little boy, standing in the rain,  
A gentle rain that falls for years.  
And the grass is gone, the boy disappears,  
And rain keeps falling like helpless tears  
And what have they done to the rain ?  
And what have they done to the rain ?
