And I love you so  
The people ask me how  
How I've lived till now  
I tell them I don't know

I guess they understand  
How lonely life has been  
But life began again  
The day you took my hand

And, yes, I know  
How lonely life can be  
The shadows follow me  
And the night won't set me free

But I don't let  
The evening get me down  
Now that you're around me

And you love me too  
You thoughts are just for me  
You set my spirit free  
I'm happy that you do

The book of life is brief  
And once a page is read  
All but love is dead  
That is my belief

And, yes, I know  
How loveless life can be  
The shadows follow me  
And the night won't set me free

But I don't let  
The evening bring me down  
Now that you're around me

And I love you so  
The people ask me how  
How I've lived till now  
I tell them I don't know

And I love you so  
And I love you so
