Blue autumn  
Falling leaves of red and gold  
Pretty colors, I am told  
But I see only shades of blue  
Because I'm losing you

Blue Autumn  
There's a rainbow in the sky  
But no matter how I try  
I still see only shades of blue  
Because I'm losing you

Such pretty colors I am told  
There for all to see  
But falling leaves of red and gold  
Have autumn blue to me

Blue Autumn  
A love like yours, I'll never know  
Other girls may come and go  
But I'll see only shades of you  
And all my autumns will be blue

Blue autumn  
A love like yours, I'll never know  
Other girls may come and go  
But I'll see only shades of you  
And all my autumns will be blue
