See the tree how big it's grown  
But friend it hasn't been too long  
It wasn't big.  
I laughed at her and she got mad  
The first day that she planted it  
Was just a twig  
Then the first snow came  
And she ran out to brush the snow away  
So it wouldn't die  
Came runnin' in all excited  
Slipped and almost hurt herself  
And I laughed 'til I cried  
She was always young at heart  
Kinda dumb and kinda smart  
And I loved her so  
And I surprised her with a puppy  
Kept me up all Christmas Eve  
Two years ago  
And it would sure embarrass her  
When I came in from workin' late  
'Cause I would know  
That she'd been sittin' there and cryin'  
Over some sad and silly  
Late, late show  
Chorus:  
And Honey I miss you  
And I'm being good  
And I'd love to be with you  
If only I could  
She wrecked the car and she was sad  
And so afraid that I'd be mad  
But what the heck  
Though I pretended hard to be  
Guess you could say she saw through me  
And hugged my neck  
I came home unexpectedly  
And caught her cryin' needlessly  
In the middle of the day  
And it was in the early Spring  
When flowers bloom and Robins sing  
She went away  
Chorus

One day while I was not at home  
While she was there and all alone  
The angels came  
Now all I have is memories  
Of Honey and I wake up nights  
And call her name  
Now my life's an empty stage  
Where Honey lived and Honey played  
And love grew up  
And a small cloud passes over head  
And cries down on the flower bed  
That Honey loved  
And see the tree how big it's grown  
But friend, it hasn't been too long  
It wasn't big  
I laughed at her and she got mad  
The first day that she planted it  
Was just a twig
