The war began  
And Henry left his farm  
Left his darling Molly  
With a baby in her arms

Now the war was over  
And their life could begin  
Molly saw her darling  
Standing at the door again

It's so nice to hear  
Your voice again, Molly  
So nice, to feel your  
Arms around me, Molly

Oh, how happy I'd be  
If I only could see you  
Sweet, sweet Molly  
(Molly, Molly)  
Please don't cry  
(Please don't cry)

Maybe I should have written  
To let you know ahead of time  
But I was afraid you'd worry  
If you knew that I'd gone blind

Do I hear you crying, Molly  
Please don't cry, you silly thing  
See what you've done  
You've even brought  
A tear to my eye

Oh how happy I'd be  
If I only could see you  
Sweet, sweet Molly  
(Molly, Molly)  
Please don't cry  
(Please don't cry)

Where's my son

What does he look like, Molly  
Everyone says he took after me  
Lord, I wish I could see

Come here, little man  
Don't be afraid, I'm your daddy  
Guess he'll get used to me in time  
Won't he, Molly

It's so nice to hear  
Your voice again, Molly  
So nice, to feel your  
Arms around me, Molly

Oh, how happy I'd be  
If I only could see you  
Sweet, sweet Molly  
(Molly, Molly)  
Please don't cry  
(Molly, Molly)

Please don't cry  
(Molly, Molly)  
Please don't cry  
(Molly, Molly)...
