Running with my rain face on  
Today I woke up feeling sad  
I know that you said  
That one day I would be glad

Hold the choirs of winter  
Birds are calling to me and  
All the leaves I came to love are falling

Ribbons on evergreen  
Owls that pull them apart  
I can hear you singing 'My funny valentine'  
Oh you know that breaks my heart

Hold the choirs of winter  
Birds are calling to me and  
All the leaves I came to love

Oh you know that breaks my heart  
Oh you know that breaks my heart

Running with my rain face on  
No idea of what to say  
No idea of what to do  
In this fear that never goes

Waiting for all my dreams  
Waiting for all my dreams  
[Incomprehensible] for all my dreams  
Waiting for all my dreams

Oh, you know it breaks my heart  
Hold the choirs of winter  
Birds are calling to me and  
All the leaves I came to love  
Oh, you know that breaks my heart

Oh, you know that breaks my heart  
All my dreams  
Waiting for  
You know that breaks my heart
