Feel me now  
Feel the pain  
Take the blame  
Feel the strain  
Before a word was spoken  
My heart was broken  
Feel me now  
Feel the pain  
Take the blame  
Feel me now  
Feel the pain  
Take the blame  
Feel the same  
Before a word was spoken  
My heart was broken  
Feel me now  
Feel the pain  
Take the blame  
Feel me now  
Feel the pain  
Take the blame  
Feel the same  
Before a word was spoken  
My heart was broken  
Feel me now  
Feel the pain  
Or take the blame  
Feel me now  
Feel the pain  
Wait a minute  
Stop! Stop!  
Here comes a love song  
There goes the banister!  
Feel me now  
Feel me now  
Find a plate glass window waiting for you  
And you and you  
Ohhh  
Here comes a love song  
There goes a banister  
Find a plate glass window waiting for you  
Feel me now

Feel the pain  
Take the blame  
Feel me now (x 4)  
Feel me now  
Feel the pain  
Take the blame  
Feel the same  
Before a word was spoken  
My heart was broken  
Feel me now  
Feel the pain  
Wait a minute  
I'm going to start again  
One! Two! Three! Four!  
Feel me now (x 2)  
What do you feel?  
Tell me now  
Tell me now  
Wont you feel me now?  
Wont you feel the pain?  
Feel me now (x 2)  
won't you feel me now?  
Wont you feel the pain?  
Wait a minute  
Here comes a love song  
There goes a banister
