Once the catch has been caught
Money has been counted
Once the shot has been fired
T' killing's done

Once the catch has been caught
Money has been counted
Once the shot has been fired
T' killing's done

Birds have flown
Train has pulled out
Fired

Wash my face
N' then undress
Close the curtain
N' leave the mess

Knowing
Fired
Pills won't help it
Words won't help it
Money can't help it
Pills won't help it
Words won't help it
Money can't help it

Once the bet has been drawn
The bodies have been counted
Once my shot has been fired

Fired
Fired
Fired
Fired

(Knowing... pills won't.....)

I wash my face
And then undress
Close my day
And leave the mess
Love is my Condition

Knowing
Pills won't help it
Words won't help it
Money can't help it
Pills won't help it
Words won't help it

Money can't help it
