Whether long range weapon or suicide bomber
Wicked mind is a weapon of mass destruction
Whether you're soar away sun or BBC 1
Disinformation is a weapon of mass destruct

You could a Caucasian or a poor Asian
Racism is a weapon of mass destruction
Whether inflation or globalization
Fear is a weapon of mass destruction

My dad came into my room holding his hat
I knew he was leaving, he sat on my bed told me some
facts, son
I have a duty, calling on me
You and your sister be brave my little soldier

And don't forget all I told you
Your the mister of the house now remember this
And when you wake up in the morning give ya momma
a kiss
Then I had to say goodbye

In the morning woke momma with a kiss on each eyelid
Even though I'm only a kid certain things can't be hid
Momma grabbed me held me like I was made of gold
But left her inner stories untold, I said, momma it will
be alright
When daddy comes home, tonight

Whether long range weapon or suicide bomber
Wicked mind is a weapon of mass destruction
Whether you're soar away sun or BBC 1
Disinformation is a weapon of mass destruct

You could a Caucasian or a poor Asian
Racism is a weapon of mass destruction
Whether inflation or globalization
Fear is a weapon of mass destruction

Whether Halliburton or Enron or anyone
Greed is a weapon of mass destruction
We need to find courage, overcome

Inaction is a weapon of mass destruction
Inaction is a weapon of mass destruction
Inaction is a weapon of mass destruction

My story stops here, let's be clear
This scenario is happening everywhere
And you ain't going to nirvana or farvana
You're coming right back here to live out your karma

With even more drama than previously, seriously
Just how many centuries have we been
Waiting for someone else to make us free
And we refuse to see that people overseas suffer just
like we

Bad leadership and ego's unfettered and free
Who feed one the people they're supposed to lead
I don't need good people to pray and wait
For the lord to make it all straight

There's only now, do it right.
'Cause I don't want your daddy, leaving home tonight

Whether long range weapon or suicide bomber
Wicked mind is a weapon of mass destruction
Whether you're soar away sun or BBC 1
Disinformation is a weapon of mass destruct

You could a Caucasian or a poor Asian
Racism is a weapon of mass destruction
Whether inflation or globalization
Fear is a weapon of mass destruction

Whether Halliburton or Enron or anyone
Greed is a weapon of mass destruction
We need to find courage, overcome
Inaction is a weapon of mass destruction
Inaction is a weapon of mass destruction
Inaction is a weapon of mass destruction
