Uhum...

Like a tweak on your nipple...

Uhum...

Uhum...

Welcome once again to the ceremony

Briefly, this is my testimony

I see genius in everybody

To perceive it in yourself is the difficulty

Where you come from

Really makes no difference to me

Whether country or just another lonely city

Like a lotus

You possess the ability

To produce flower and fruit

Simultaneously

[Chorus:]

So drop your pebble

In the mainstream

Start a ripple

It will buzz you

Like a tweak on your nipple

Tickle your sensibility

Speak just a little

The words have enough weight

To turn rock to metal

[Repeat Chorus x2]

I see genius in everybody

To perceive it in yourself is the difficulty

But your individuality overflows with quality

It manifests solidly

If you believe

A rich creativity, fever pitch energy

And crazy synchronicity

If you believe

[Chorus:]

So drop your pebble

In the mainstream

Start a ripple  
It will buzz you  
Like a tweak on your nipple  
Tickle your sensibility  
Speak just a little  
Your words have enough weight  
To turn rock to metal

[Repeat Chorus x2]

Like a tweak on your nipple...  
Like a tweak on your nipple...
