Lovely...

Always on till like a quarter to three, lovely

Always on till like a quarter to three, lovely

Always on till like a quarter to three, lovely

Always on till like a quarter to three, lovely

Even though it's sandy and dusty

Adjust my position on my cushion

Time is a treasure cause it's oh-so-dear

Lying here at my leisure on air

And the sun is really high in the sky

How am I supposed to 'do the dew'

When it's too hot to move

I'm wozy

I'm wozy

I'm wozy

Nobody in bed with me

I need room to be where I want to be

No need to zoom or rush

In fact, take out the bass in case we need more hush

Less percussion, a little less pushing and shoving

Take it easy, you could even get sleazy

Come around, watch a movie with the sound down

And get wozy

I'm wozy

I'm wozy

I'm wozy, yeah

I'm wozy
