Compromise the poison now  
Jeopardize the... Uh Oh!  
Petrify the voices now  
Jeopardize the... Uh Oh!

Compromise the poison now  
Jeopardize the... Uh Oh!  
Petrify the voices now  
Jeopardize the... Uh Oh!

And she said...

When we're dead by dawn  
The bloods gone  
When we're surviving dust  
Chemical lust

Compromise the poison now  
Jeopardize the... Uh Oh!  
Petrify the voices now  
Jeopardize the... Uh Oh!

Paralyze the moment now  
Jeopardize the... Uh Oh!  
Complicate the gaps and now  
Jeopardize the... Uh Oh!

At most... the rest is after dark

When we're dead by dawn  
The bloods gone  
When we're surviving dust  
Chemical lust

Flat-lining!  
Declining!  
Flat-lining!  
Declining!  
Flat-lining!  
Declining!  
Declining!

When we're dead by dawn  
The blood gone  
When we're surviving dust  
Chemical lust  
When we're dead by dawn  
The blood gone
