Feeling dirty, feel fucking gross
I need a shower (yeah, you need one the most)
Don't tell me this the next stop to the river bed
Don't tell me stop (YOU DON'T NEED SLEEP!!!)

I'm filthy and rich
I'm dirty and old
The dirt is to be sold, not to be told

A toxic mouse, can be the vein
Wealthy, filthy and over played
Knowing all the saturations

Owing all our reperations

Your so much richer now
(fix up cause your fucking dirty)
(clean up cause your fucking filthy)

FIX UP!!

Dissolve all the puzzle solving
Evolving back or just revolving?

Sorry that you heard
I'm sorry that you know
Love you for your forever shocking allure
(YOU DON'T NEED SLEEP!!!)
