Tell me have you ever been stuck inside a mountain,
locked in some experiment to measure your invention,
a hyper static element is killing my intention,
I'm trying hard to focus but someone failed to mention.

And hit me if you can when you're stuck inside the
mountain,
locked in that experiment to measure your ambition,
a hyper-active element is killing my condition,
I try to pick you up and then aim to cut you.

If we joke and we continue to talk like this,
I'm scared we might be making the same dumb
mistakes,
if we joke and we continue to talk like this,
I'm scared we might be making the same dumb
mistakes.

Lets stop this now that you've got everything,
and stop me now I don't know anything,
and help me out 'cause I want nothing but you,
and your same dumb mistakes,
I want you and the same dumb mistakes,
I want the same dumb mistakes,
I want.

Meet me when you can at the bridge behind the
fountain,
I don't know how to act and I find it overwhelming,
you always recollect the things that break you,
we fall because the night will choke you.

If we joke and we continue to talk this this,
I'm scared we might be making the same dumb
mistakes,
if we joke and we continue to talk like this,
I'm scared we might be making the same dumb
mistakes.

Lets stop this now that you've got everything,
and stop me now I don't know anything,
and help me out 'cause I want nothing but you,

and your same dumb mistakes.

I want you the same dumb mistake,
I want the same dumb mistakes,
I want.

I saw your head before,

I heard you won the war,
they said you won the war on yourself.

Shoot me if my dalliance turned into a habit,
the tattoo on my arm hell it's just a kid and rabbit,
I'm feeling kind of tired might prefer to cab it,
try to catch you up it's a lame attempt to.

And shoot me if my dalliance turned into affection,
that rocked your little ship in the sea of my reactions,
it's raging in the waters they're shaking my
foundations,
you cut the silver cord like you said you'd try.

And if we joke and we continue to talk like this,
I'm scared we might be making the same dumb
mistakes,
if we joke and we continue to talk like this,
I'm scared we might be making the same dumb
mistakes.

I want you and the same dumb mistakes,
I want you the same dumb mistakes,
I want the same dumb mistakes,
I want.

I saw your head before,
I heard you won the war,
heard you won the war on yourself,
on yourself.

no, no no oh
no no oh
ooohh
no no oh
no no
no no ooohh
no no no

I want you and the same dumb mistakes,
I want the same dumb mistakes I want,
I want you.
