You got it all like a kick in the head  
You got the shits  
'Cause of what she said

You better calm her down  
You wanna piece of me?  
You better calm her down

Look I know it ain't easy  
All this having to hide  
You're like a drive-by in Texas  
When you're on the wrong side

You better calm her down  
You wanna piece of me?  
You better calm her down  
You gonna be sick of me

You better calm her down  
And she's been kicking me  
You better calm her down

When I want to go out I stay in  
'Cause you know when I fight I usually win  
When I want to stay in, I go out  
'Cause I know when you fight  
You're down for the count

Oh, this is what's always been  
Oh, you said they'd never win  
Oh, this is what's always been  
Oh, you said they'd never win

With violence and death  
We deserve a reaction  
But this is just petty shit  
With no fire and no passion

You better calm her down  
You wanna piece of me?  
You better calm her down

Yeah, she's been kicking me  
You better calm her down  
'Cause you know when I fight  
I usually win
