[CHORUS]

Jacqueline

I'm so in love with you

My Jacqueline

My heart belongs to you

My Jacqueline, oh, won't you

Say you love me too

I got a gal and she sure looks classy

Smooth as a car with a fibreglass chassis

Spicy as a magazine and twice as sassy

Jackie, you're the one for me

[Repeat CHORUS]

When we're alone it's a big temptation

To try for a kiss that's a real sensation

She's got the key to the situation

Jackie, you're the one for me

[Repeat CHORUS]

My baby doll is a real humdinger

She likes to dance to the records I bring her

And when she rocks, she's a real live swinger

Jackie, you're the one for me

[Repeat CHORUS]
