Für den Abend vielen Dank
denn von deiner Hand wächst ein Bein mir in den
Himmel
als ich es fand war es verändert

ich sag' wie
es war hoch wie nie
you say: no
no
no.
Honey
can't you see it is destiny

It is all for rock
it will turn to knock
Bring your hips to the top
do the bebop
you say: no
no
no.

Show me the way you move your body
night into day
Why should I wait for you to love me
Don't be too late the way to make it happen.

Body next to body
turn the pain to pleasure
I want to know if you are the one for me
yeah.
Body next to body
searching for the treasure

The magic in the mystery
yeah
yeah
yeah
yeah!

Sooner or later you must leave the theater
And you have to no home

maybe you're alone.
Do the bang-bang-boogie
stand up
turn the boogie

You say: no
no
no.
Honey
can't you see it is destiny

It is all for rock
it will turn to knock

Bring your hips to the top
do the bebop

You say: no
no
no.

I am the one you need forever
second to none -
Say
say
say

Life on the run
we stay together whatever comes
Today we take our chances.

Body next to body
turn the pain to pleasure
Body next to body
turn the pain to pleasure
Body next to body
turn the pain to pleasure

Fancy
fancy lady
tell me that you're ready

Tell me that you're ready to break through
yeah
yeah.
Fancy
fancy lady
tell me you already

Tell me you already broke walls of silence
hey

hey!
