She had exquisite style, she was upper class
She had supernatural grace
A mélange of Aphrodite and Venus
Combined with an angel's face

She didn't talk to the press, so she couldn't care less
She didn't even answer the phone
She said on one occasion, without persuasion
I want to be left alone

From this moment on, from dusk till dawn
Till the end of time, I'll be with you
You'll be with me, forever in my mind

It's you I see before me, oh oh, Garbo
C'est toi que je t'adore, oh oh, Garbo
A lovers' greatest story, oh oh, Garbo
They say, well that's amore, oh oh, Garbo

It's you I see before me, oh oh, Garbo
C'est toi que je t'adore, oh oh, Garbo
A lovers' greatest story, oh oh, Garbo
They say, well that's amore, oh oh, Garbo

People say on the day of victory, no fatigue is felt
Garbo, it's you that has the power that makes ev'ry
man's heart melt
They say that, when the heart is a fire sparks fly out of
the cage
But beauty is like a good wine, the taste is sweeter with
age

No man can guess in cold blood what he might do in
passion
But the things that he deplores today are tomorrow's
latest fashion
Serving one's own passion is the greatest slavery
But if in wanting you I become your slave, I intend no
bravery

From this moment on, from dusk till dawn
Till the end of time, I'll be with you

You'll be with me, forever in my mind

It's you I see before me, oh oh, Garbo
C'est toi que je t'adore, oh oh, Garbo
A lovers' greatest story, oh oh, Garbo
They say, well that's amore, oh oh, Garbo

It's you I see before me, oh oh, Garbo
C'est toi que je t'adore, oh oh, Garbo
A lovers' greatest story, oh oh, Garbo
They say, well that's amore, oh oh, Garbo

It's you I see before me, oh oh, Garbo
C'est toi que je t'adore, oh oh, Garbo
A lovers' greatest story, oh oh, Garbo
They say, well that's amore, oh oh, Garbo
