How do I tell my baby  
Momma's not coming home  
How do I tell myself  
I'll be staying alone  
Oh, I can't stop crying  
She'll say Daddy, I want to hold her  
I want to see her again  
Want to kiss her, want to touch her  
Oh, what can I say  
So do I  
Oh Momma, I'm missing you real bad  
But it don't do me no good  
Sitting, thinking about what we had  
CHORUS  
Love don't stop  
It goes on forever  
Love don't stop  
And it never will  
Love don't stop  
One day we'll be together  
Love don't stop  
And I'll sing this song to you someday  
On heaven's highest hill  
How am I gonna look into those big brown eyes  
When she wakes up crying out in the middle of the  
night for Momma  
How will I make it better  
The house is full of people  
But nobody's home  
Everybody's here and I'm all alone  
Calling out your name but there's no answer  
Oh, Momma last night she told me not to cry  
I swear I see you every time she smiles  
CHORUS  
I don't know if you hear me  
Sometimes I like to think you do  
All the things we been fighting for  
I'm gonna make them all come true  
And these arms they ache to hold you  
And I know one day I will  
I'll meet you in the tall grass

Up on heaven's highest hill

CHORUS
