And we are growing along spiritual lines
Will never mean we should stop to have big fun time
Oh oh oh

Should it be for the very first of all to pray
And to report it to your next in an effective way
Oh oh oh

But whatever our ideals turn to be
We must be willing to break it through
We must be willing to make amends where we
Ever have to put some harm on too

She is my, she's my all
She is my all surrounding solid booze you know
She is my, she's my all
She is my all surrounding solid booze you know

And we are growing along the spiritual lines
Would never mean we should believe in all those
different kinds
Oh oh oh

Could it be the very first of all to recognize
Its the better sense to take it once and give it twice
Oh oh oh

But whatever our ideals turn out to be
We should be willing to break it through
We should be willing to realize
That attitudes have got us too

She is my, she's my all
She is my all surrounding solid booze you know
She is my, she's my all
She is my all surrounding solid booze you know

She is my, she's my all
She is my all surrounding solid booze you know
She is my, she's my all
She is my all surrounding solid booze you know

She is my, she's my all
She is my all surrounding solid booze you know
She is my, she's my all
She is my all surrounding solid booze you know
