Es beginnt in einem Wald, alle Rechte sind bezahlt  
Und es endet doch daheim.  
Meine HÃfÃxende sind so kalt, denn die Zeit die ging  
ins Land  
Meine Seele ist so rein.  
Die Rose kennt den Duft  
Meine Stimme braucht die Luft  
Denn der Wind ist so heiÃfÃÿ wie nie  
Sei es Rock, Punk, Heavy Metal, Politics, or Classical  
It's all to Musik to me  
Hey, das waren Zeiten when Hard Rock was Hard Rock  
Musik was as tough as a nail  
Und unsere Jungs, die waren nicht lazy they got out  
and made  
It crazy but no one left to tell the jail  
Der Bube fragt den KÃfÃ¶nig  
Hey babe do you wanna dance?  
Sie machen History dann sie sind scharf wie nie  
The first pre-elected Rock n Roll band  
The Sound of Musik  
Do the bang-bang-boogie, say up jump the boogie  
Do the rhythm on the boogie the beat  
Do the bang-bang-boogie, say up jump the boogie  
Do the rhythm on the boogie the beat  
Do the hip do the hop do the oh-oh-bebop do the  
freestyle  
Rock'n and we never gonna stop  
Herr President, wir kennen eine Sprache  
Und diese Sprache heiÃfÃÿt Musik  
The Sound of Musik  
Can you hear the band playing, can you feel the bodies  
swaying  
And if you feel the groove you better start to move  
Step in time to the rhythm and move your feet to the  
beat  
Hey everybody give Musik a chance and do the  
universal dance  
The Sound of Musik  
Hear the James Brown song, hear the church choir sing  
It's the people's voice they're gonna bring up that bell  
and ring  
The Vienna Lipizzaner, they're doing the rhythm and

blues  
It's the Jailhouse-Rock, it's steppin on my blue suede shoes  
The Sound of Musik  
It's Pavarotti, he's the biggest Bobby Dylan fan  
Sie machen alle Musik for boys, girls and big tall man  
It's Otis Redding, he's sitting on the dock of the bay  
Listen to the band, listen to the Big-Band, to the bang-bang  
Listen to the bang-bang, blow horn  
Hey - listen to the band  
Listen to the band  
Hey - listen to the band  
Listen to the band  
I want you listen to the band  
Hey - listen to the band  
The Sound of Musik  
It's Lennon-McCartney, Cole Porter too  
They're dancin with my babe, babe - ba - ba - ba - babe - blue  
Hey daddy - don't you bother me - it's gonna be my  
Rock and Roll day - give the children what they want  
Hear the universal choir pray  
Hear the James Brown song, hear the church choir sing  
It's the people's voice they're gonna bring up that bell and ring  
It's Otis Redding, he's sitting on the dock of the bay  
Give the children what they want, hear the children do the boogie  
Do the bang-bang, do the boogie-bang  
Hu-la-la-hu-la-la-e  
E-oh
