I guess I'm just not funny anymore
I can't seem to make you laugh
The way you did before
I guess I'm just not the boy I used to be
That sparkle in your eyes
I can't find it for the life of me

CHORUS

I've tried, God knows
I've tried
The laughter just stopped
I guess I'm just not funny anymore
I guess you just don't
Love me anymore
The struggle's over now
Is this what we've been struggling for
Somewhere I must have lost my way
I just can't seem to make no sense
To you, no matter what I say
I've tried, God knows I've tried

The sky is falling
Love is crawling crossthe floor
I'm crying, the laughter just stopped
I guess I'm just not funny anymore
Not funny anymore I'm not funny anymore
I don't know from nothing girl
If I don't know from you
Here I stand the worlds
Biggest fool
All this time, I never had a clue
When did I lose you

CHORUS

I'm not funny anymore, stop crying
I'm not funny anymore, stop crying
I'm not funny anymore
