Yesterday I saw a picture  
Hanging on the wall  
You and me was laughing  
Must of been a lifetime ago  
When the sun was smiling  
And the bluebird he sang  
All we needed ws money  
And all we had was time, time

CHORUS

Now I'm alone with  
This burning love this breaking heart  
These aching eyes  
This burning love  
Well the sun still shines without you  
As far as most can see  
But no one sees these shadows  
That come to swallow me  
And no matter where or who I'm with

I've got to run away  
now I think I know how you left  
There's nothing anyone can say  
Just time

CHORUS

Somewhere time ran out on the bluebird's song  
Last night walking down the hall  
I could have sworn I heard you call  
But you're not here  
I'm all alone with

CHORUS

Staring out the window  
At your favorite flowers  
This burning love
