Out of england, I dream of it?s creamery
When I?m there I dwell on saxony.
In turkey when I?ve been due to world war
ilstanbul is the place ?cos of my birthday.
I am barmy
Bleedin? barmyl got everything
I got everything I want except for hungry
I got everything I want except for money.
I?ve got the best round set aside for parties
They?ll have one when I?ve gone
In fact, they said so, good one.
I am barmy
Bleedin? barmy
Friends disintegrate within circles of cash
Residue after years of fab genius
Is a pension for the jews
And a medal from the company which I wiped my butt on
And hung on a laburnum tree.
I am barmy
Bleedin? barmyl am barmy
Bleedin? barmy
Just call me the first
[repeat 10 times]
I lay waiting hopefully on sloped grass
green
I am barmy, bleedin? barmy
A dramatic verse
[repeat 3 times]
The programs lot
We break into tune
Take and bring a word
Ring a buzzer
Take and bring a word ()
A dramatic verse
