The car is at the roundabout
The policeman is at the roundabout
But Im full of surprises now
And my friend, he said Im full of surprises now
Let me tell you about scientific management
And the theft of it's concealment
The birmingham school of business school
In birmingham
Its main theme

Weave a web so magnificent
Disguise in the art of conceit
Give a very firm handshake
And take the bastards for everything that they rate
The birmingham business school of business school

Deposits prisoner robotics
Home to their wives stepford
Case-carrying
Business school
Birmingham school of business school
Birmingham school of business school
In the heart of britain
The big heart of england
Lee coopers [en effuse/on a fuse]
The birmingham school of business school

[plain grass, feet] to walkin
Hitching
Blazers
Builders
Tryna find a job
The jumped up prats
Birmingham business school
The birmingham school of business school
Birmingham school of business school
Laughing-stock of european
Olympic bidding again and again
Exciting developments
The birmingham school of business school x4
