Mes: modernity. moderninity, water lane 01715599  
dream sat may tents and tomatoes at blackpool where  
jimmy bloomfield has been brought back to host jousts  
in moderninity. one of the many footbal  
Unds that have been converted to hold this revived  
sport.

Voice 1: from today and forthwith, jousts at  
moderninity

Mes: joust in moderninity. charred landscape, watching  
the female bouts at the beginning on the tent  
bedecked terraces I exclaim out aloud "its too drafty in  
here, those girls will certain  
Tch their death of cold" and shoved to left by bearded  
steward but every movement my companion catches  
reprimands me. I am completely deaf so cannot gauge  
my own voice volume.

The large tomatoes and gold and beige striped tents  
plunked on brand new soccer terracing seem to  
symbolise a clean shaven (city) new decadence. the  
lancashire northern western quarter had seeme  
Materialise overnight, its citizens plump, voyeuristic.  
slowly they watch every movement by anybody or  
anything. I bless my uncanny ability to blend. my friend  
matthew is not so lucky, his wife  
Me at last from hospital. it is his first day out (in weeks)  
always energetic he too shouts and is obviously  
thought drunk, (borrowedfollowed) a massive decrepit  
jaguar car. so  
Terracing seemed to symbolise a new clean shaven but  
chip greasy new decadence. the lancashire northern  
western quarter seemed to materialise overnight its  
citizens plump, voyeuristic, slowly th  
Tch every movement.

There is no reason to this. this makes new york look  
athenic. for lnwq read (romandy) for the east read  
sparta.
