Hands up, I can't do that
Wait till tomorrow
Pretends to think a lot
Not user friendly
So when we go in a second
What does that mean to you?
You take her from the back
We're so respectable
But I'm entitled
Entitled
Why can you not relax
When I'm behind you?
I don't make passes from the back
Is it something usual?
To be so entitled
Entitled
Remember with this photograph
Take care of photograph
Drowned in plastic
You've got good reason to laugh
Give up, I can't do that
Wait until tomorrow
My reputation's in tatters
Where does that leave you?
Disentitled.
