The first god: had in his garden, from the back, looked like a household pet--but when it was twirled round was revealed to be a 3 legged black grey hog; see what flows from his mushy pen That person is films on t.v. 5 years back at least He's the young generation trying to perform country and western Do a dance here Small small location Garden garden Never since birth not eaten in a day Never since courtship stayed up some nights He had the 'kingdom of evil' book under a german history book--He was contrived like that-- see what flows! from his mushy pen Garden garden Sodomized by presumption (..... his ferry stopped at 'pool port. revealed to be spilit Slate with largesse resource. Wild bill hick, shaves and charts at last, made the second god Sad -- he's coming up.) Godzone godzone jacob's ladder The best firms advertise the least The second god, lives by fountains that flowed, by the blue shiny Lit Roads. had forgot, what others still try to grasp. He knew the evil of the 'phone, the bells stopped on sunday when He rose. Shotgun! shotgun! shotgun! Perdition. He's here. I saw him I swear on the thingy floor: Up on the brown baize lift shaft he's here! he's here at last! Jew on a motorbike
