ProzacIt's a good life
Bowling to a tyrant
The rocks in Spain
Look like the ones round the lochs in the highlands
On or on the continent
Spirit response
Call me
al from the uk
Prozac
Glam wreck
You say that you're a star
but I don't give a fuck
I watch your head expanding
as you're running out of luck
I feel empty
Cause baby you suck
me I feel empty
Cause baby you suck me
clean
Go feast on someone else
Cause charity ain't my scene
I feel nothing
Cause it's nothing
you make me feel
Go shine on someone else
Cause your act has lost all it's appeal
So glam racket
Glam racket
Glam star
racket
